Rabobank is introducing host farmers to participating schools' workplace learning initiatives to raise awareness and promote farming and the food and fibre production and supply chain through its Farm Experience Program ("Program"). Through the Program, metropolitan secondary school students have the opportunity to discover what farming is about, the lifestyle and diverse career opportunities the food and fibre sectors have to offer, by experiencing first hand life and work on a farm. These schools are selected to be involved in the Program. Students from each participating school are selected to experience a week on a farm and visit other agri-businesses in the area involved in the supply chain, opening up opportunities to learn about other career opportunities related to agriculture.

Rabobank engages 2realise Incorporated (ABN 80 481 576 931) to coordinate the Program on its behalf for the participating schools.

Your involvement in the Program and access to and use of this site are at your own risk.
